

**Safe Labs for a  
better tomorrow!**

### *Meeting Mission Statement*

To advance the professionalism, reputation and effectiveness of our members in the lab design and construction market through educational programs.

### *Core Values*

- ♦ Manufacturer driven;
- ♦ North American focus, but international in scope;
- ♦ Furniture and equipment;
- ♦ Influence and interact with the lab market, not react;
- ♦ A source of member education and growth to enhance member business and minimize associated risks;
- ♦ Support other related constituencies;
- ♦ Adaptable to the consequences of changes in technology;
- ♦ Responsive to the varied needs of our members.

### SEFA

offers a world of possibilities:

- ♦ Raising Industry Standards
- ♦ Networking Opportunities
- ♦ Seminars
- ♦ Advertising Opportunities
- ♦ Product Certification

**SEFA spells SAFE™**
