

HEMCO

Laboratory Planning Solutions

Ronald E. Hill PE President of HEMCO Corporation was awarded the University of Kansas School of Engineering Distinguished Alumni Mechanical Engineer of the year award 2009. His 50 years of entrepreneurial leadership have led HEMCO Corporation (Hill Engineering and Manufacturing Company) to fill a unique niche in the research, development, and manufacturing of Laboratory Facilities World Wide.

Ron is a founding member of the Scientific Equipment and Furniture Association (SEFA), has served as the Chair Person on the Laboratories Fume Hood Recommended Practices, the ASHRAE committee for Laboratory Fume Hood Performance Testing, and the American Industrial Hygiene Committee, Z9.5 Laboratory Ventilation Standard. He is a member of the Missouri Society of Professional Engineers (PEI), and the National Society of Professional Engineers. Member of the International Society of Pharmaceutical Engineers (ISPE) and the Independence Council for Economic Development (ICED).
