◆ ADVERTISING OPPORTUNITY ◆

SEFA has released an updated Fifth Edition SEFA Desk Reference. Version 4.0 includes the following updated and new material —

SEFA 7-2021

Recommended Practices for Laboratory Grade Fixtures

SEFA I2-2022

Recommended Practices for Laboratory Grade Seating

SEFA I3 V-ELF-2023

Recommended Practices for Vertical Exhausting Laminar Flow

Over the years, SEFA's Desk Reference has proven itself an invaluable resource for industry professionals throughout the world. We will continue to distribute flash drives at industry events like ARABLab, Analytica,ACHEMA, Trade Line Conferences, and more.

We are once again offering full, half and quarter page color advertising. The layout will be the same as prior Editions, with a dedicated section for advertising. If you would like to place an ad in the Fifth Edition - Version 4.0 please complete the form below and return it to the SEFA offices today. Ad placement is on a first-come/first-served basis with full page ads appearing first. You can submit your artwork to Barbara@sefalabs.com in PDF or JPEG format.
